

## REMARKS/ARGUMENTS

The foregoing listing of claims corresponds to the listing of claims as presented in the Response filed in the present patent application on August 25, 2005, with the amendments as presented in that response incorporated in the claims. The foregoing listing of claims contains no new amendments.

The Notice of Allowability, as issued in the present application on November 17, 2005, indicates that Claims 2-4, 6-10, 14-24, and 27-49 are allowed. Paragraph 1 of the accompanying Detailed Action also indicates that Claims 2-4, 6-10, 14-24, and 27-49 are allowed. Paragraph 2 of the accompanying Detailed Action, however, suggests that Claims 2-4, 6-12, 14-15, 19-45, and 48-49 have been found allowable. However, it is noted that Claims 2-4, 6-12, 14-17, and 19-49, as indicated in the above listing of claims, were pending at the time that the Notice of Allowability was issued. No indication was made in the Notice of Allowability that any of these pending claims was rejected for any reason.

It is respectfully suggested, therefore, that Claims 2-4, 6-12, 14-17, and 19-49 as pending at the time that the Notice of Allowability was issued should have been indicated as allowed in the Notice of Allowability. It is respectfully requested that the patent application file record be corrected to indicate that Claims 2-4, 6-12, 14-17, and 19-49 are allowed and that the corresponding patent issue with all of these claims.

Respectfully submitted,

Peter J. Manghera
